About Me

My name is Denish Acharya, and I live in Kathmandu, Nepal. I am currently pursuing a Bachelor degree at Citizen College in the feild of Information Technology. As a student, I am curious, driven, and eager to learn. I believe that pursuing a degree in Information Technology is an excellent choice, as it is a field that offers many opportunities and is constantly evolving with new technologies and advancements.

As I continue my studies, I know that I may face challenges and obstacles, but I believe that staying focused, dedicated, and maintaining a positive attitude will help me overcome them. I am confident that with hard work, I will achieve my goals and make a meaningful contribution to society.

Thank you for your interest in learning more about me.
